

## SHOLOFELO SHINDIG RAISES R600 FOR CHILDREN IN THE WILDERNESS

Sholofelo Shindig (Hope Party) is a group of young working people who get together every two months for a party/function with the idea of raising money for the host's choice of charity/non profit organisation. This year, I hosted the first function, which was a picnic lunch with croquet on the lawn. Nine of us attended and the idea was launched with a bang, raising R600.00. As Children in the Wilderness is very close to my heart, I decided to donate the money to them.
