

**Chifundo Nyambalo – Malawi**

After completing the bridging course with SAWC, Chifundo did his internship with Central African Wilderness Safaris (CAWS) at Chintheche Inn and Mvuu Camp, and African Parks in Liwonde National Park. He is now working for CAWS as a safari guide at Mvuu Camp in Liwonde National Park. The General Manager of Mvuu camp commented that after Chifundo's SAWC training, he is showing remarkable progress in his duties as a Safari Guide.

Chifundo aspires to complete a full course in field guiding with SAWC. He has already applied to the college to register his interest in the course.

*My new perception about myself is that I am a living fighter for the wellbeing of all living things and their environment – Chifundo Nyambalo*
